

Hall Mills - 105.117 - Correspondence - 1923.1.6 - GS-FH

my time,

I had to put one Sales-  
man, in my place that was  
absolutely green in my line and  
an extra man to take care  
of cattle as I just received a  
consignment of fresh milk  
cows and could not move any  
for whole time, I was notified  
I may be called any moment  
and up to the present time absolute facts, and nothing else  
some of my trade whom only  
can see a thing one way.

Simply ignor me entirely me a 100.00 and agreed to let  
& will not do business with me in on what ever may

But hope that it will

be shown, some day that Mrs  
Jane Gibson was not telling the  
truth, now I would have done  
exactly the same, had it been  
a woman, who was compelled  
to go out to work every day, for  
a living, for I believe in a case  
of the nature regarding the one  
above it should be proven with  
Therefor I was perfectly  
satisfied after Mrs Gibson offered
